The publications number in excess of 200.
A few highlights:
- F. Albajar, M. Bornatici, F. Engelmann: Calculation of the Electron Cyclotron losses at high temperature using the RAYTEC code, 2nd IAEA DEMO Programme Workshop, 17-20 December 2013, Vienna, Austria
- F. Albajar, M. Bornatici, F. Engelmann: EC radiative transport and losses in DEMO-like high-temperature plasmas, 18th Joint Workshop on ECE and EC Resonance Heating, Nara, Japan, 22-25 April 2014
